Gloucester Canoe Club

Website

Gloucester Canoe Club maintains a website to promote the activities of the club. It also provides access for members to club information via a private members area. Access to this area is via username and password. When you upload this form to the website you will be provided with a link to our 'On-line Option' form that you are required to complete before access to any on-line system is provided. If you hand in this form manually, you will receive an email from the web manager directing you to the required 'On-line Options' form. You will not gain access to the website members' area, or receive newsletters/emails about activities until this form is completed.

The Members area of the website can list your name, email address and display name if you wish. This will only be available to other club members. The 'On-line Options' form enables you to opt in to this facility. Children will never be listed.

Communications

Gloucester Canoe Club regularly communicates between members using an email list system. This uses your email address and enabled you to both send and receive emails to all other club members using a single email address. This system frequently publicises club events so that you can join in activities of interest to you. It is a closed system in that only club members can contribute and receive emails. The 'On-line Options' form provides options to enable you to make use of this facility. You may unsubscribe from emails at any time using a link provided in every communication.

Gloucester Canoe Club also occasionally sends out newsletters to club members. These are in the form of formatted emails. Again, the On-line Options form enables you to subscribe to this. You can unsubscribe at any time using a link provided on each newsletter.

Family Membership

If you are applying for family membership please complete the section for each additional member. Only one family member is required to complete the On-line Options form to receive emails directly. Each additional family member can be signed up for access to the website, the email list and for newsletters if required. In this situation please provide an email address for each child so that we can verify that they should receive access to these resources. Child members will not be listed in the club members list. Please do not use the Family section to add additional full members; this should be done on a second application form.

For more information on how we process your information please read our full privacy notice.
